Consumer Information and Student Achievement Guide 2024-2025

Puerto Rico and St. Louis

Guide Summary

Welcome to Ponce Health Sciences University! Our Consumer Information and Student Achievement Guide is designed to provide a comprehensive resource for both current and prospective students, offering essential information to facilitate informed decision-making. As a recipient of federal student financial aid, PHSU is required by the U.S. government to ensure access to this information.

In accordance with the Federal Student Right To Know Act, higher education institutions that administer federal Title IV funds must disclose specific information to current and prospective students. This includes graduation rate data among other essential details. Ponce Health Sciences University goes beyond these requirements by providing comprehensive information such as academic program offerings, graduation and retention rates, student record privacy policies, health and safety guidelines, and financial aid specifics.

Our guide provides a thorough overview of critical consumer information and institutional outcomes for each academic program at PHSU. For any inquiries, please feel free to contact the Office of Student Affairs at 787-840-2575 Ext. 5723 or via email at studentaffairs@psm.edu.

Historical Private Lender List

PHSU does not deny or otherwise impede the student's choice of an alternative lender or cause unnecessary delay in loan certification of these loans. The following is a list of the three private loans that have been most selected by our students during last two previous academic years, however, we reiterate that the student may select any other lender they esteem will meet their financial need.
